Project name: Apartments IJburg
Location: IJburg, The Netherlands
Gross area: 625 m²
Period: 2017-2018
Budget: € 1.200.000,-
Status: Preliminary Design

This new & modern apartment building is located in a fancy neighborhood Amsterdam-IJburg, in The Netherlands. It contains three apartments which are divided over the 5 stories. The brickstones in the facade creates a great composition of the open and closed elements. At the backside, all the balconies have nice view over the deep garden.

The central entrance hall have big window frames where natural lights comes in during the day. The car elevator is convenient for the residents and saves up space in the parking garage.
